## The Swan 41 -A fast and comfortable yacht.

Who says you cannot get the owner's stateroom aft in a 41 footer?  
She is a design from Sparkman & Stephens for the 1974 season and she rates into the 1975

Admiral's Cup rule.  
The SWAN 41 is built at Nautor with a care and craftsmanship that has become too rare in modern boat building.

The luxury in this boat is not just to find in the sleek, smooth low-profile lines. A look below decks and you will be amazed over the spacious interior with its fabulous finish.

All this, plus an owner's cabin aft makes her the irresistible SWAN you have been looking for.
