

S&S Swan 40 Fuel Tank Inspection Cover Gasket

by

Duarte Champalimaud, S&S Swan 40/047 Star Swan

Nautor Swan 40 S&S 1972 - Fuel tank inspection cover gasket

Recommendations:

- Mark holes to punch using the cover as mould and not from the old gsaket.
- Holes must be slightly smaller than bolts in order to secure gasket on the cover with bolts to place after on tank.
- Only fully tight bolts when all bolts are align and secure in the holes.
- Where to buy: www.lmporborracha.com
