10° S&S Swan Rendez-vous, what a success!

10th S&S Swan Rendez-vous, dedicated to Lars Ström, the best ever!

44 S&S Swan sailed to Marciana Marina and were moored at the pontoons of the the Circolo della Vela.

We had 2 racing days: the first one with a variable and lazy wind which needed all the attention of the Skippers and Crew, and second with up to 25 kn of NW wind with a 2,5 m wave; looking at the dishmelled hair and smiling faces of the wet sailors after the race you could understand that it was just the perfect weather Sparkman&Stephens designed Swan are designed and built for!

Race result could be downloaded [here](#).
